

# CONTI TRAC SUV

The Contitrac SUV is a premium tire providing the driving comfort and safety required by today's generation of SUV's and Light Trucks.

## Features

- ① Mud & snow rated
- ② Latest generation casing technology and materials
- ③ Large P-metric size range
- ④ Computer modeled tread pattern optimized from proven OE design

## Benefits

- ① All-season performance
- ② Excellent durability for premium safety performance
- ③ Ideal all position tire for 4WD, SUV and Light Truck applications
- ④ Premium balance of traction, mileage, ride comfort and noise performance
